EXPERIENCE

Janice Miller Elementary School, Lake Worth, TX August/2012 - Present
Music Teacher

- Taught pre-K to 4 general music using Quaver curriculum.
- Directed third and fourth grade choir, directed recorder and ukulele small groups, assisted individual singers in school plays, and assisted with choreography.
- Taught students how to play resonator bells.
- Submitted African song to Quaver Resources for use in Quaver curriculum.
- Directed grade performances, holiday plays and Christmas musicals.
- Created several music applications for student use on iPad.
- Developed a math fact app for use in first to third grade classrooms.
- Shared music resources created in Java with district music teachers. For example, <http://www.openprocessing.org/sketch/180550>.
- Developed a Homework Connection web application for district use.
- Created a UIL Music Memory web application for student use. Eleven schools in Texas use the application.

The Master's Touch School of Music and Performing Arts, Grapevine, May/2011 - August/2012
Piano Instructor

- Developed personalized curriculum for students ages 6 – 62.
- Coordinated and hosted quarterly recitals for students and guests.
- Utilized Royal Schools of London curriculum to teach students music theory.

Cosmos Pharmacy, South Africa May/1989 - February/2001
Drug Store Manager/Owner

- Developed and implemented performance improvement programs.
- Assisted with recruitment and hiring.
- Controlled inventory and ordered all product stock.
